About our Agency

Family Services of Peel was established in 1971 as a non-profit, charitable agency to provide family and community support services for the people of Peel. As a multi-service agency, we provide counselling, support for victims of abuse, employment support services, supports for people with developmental disabilities and education programs.

Sensitive to cultural and social diversity, we are a community-based agency that works to strengthen individuals and families through guidance, coaching, mentoring, education and support, whether in groups, family meetings or one-to-one sessions.
