Land Acknowledgment

"Some of us immigrated to Canada and some of us were born here; whatever our origins and beginnings we are all settlers on this land. At this time and for this reason, it is essential to pay our respects to the land that we are on.

I take this moment to acknowledge that we are on the Haudenosaunee, Anishinabek, and Huron Wendat Indigenous territories.

I would like to take this opportunity to recognize Indigenous people, the First Nations of this land, their historic connection, and continuing presence. As settlers, I respectfully acknowledge and honour the land, the traditions, and culture".
